# PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

## CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin 22-1 refers to the first Bulletin issued in calendar year 2022; Bulletin 24-1 refers to the first Bulletin issued in calendar year 2024. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 22-1 refers to January 2022; Volume No. 24-2 refers to February 2024; and so forth. Example: The Bulletin published in January 2022 is cited as Volume 22-1. The December 2022 Bulletin is cited as Volume 22-12.

## RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the [Cumulative Rulemaking Index](#). Link to it on the Administrative Rules homepage at [adminrules.idaho.gov](http://adminrules.idaho.gov).

## THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Idaho Administrative Procedure Act, [Title 67, Chapter 52, Idaho Code](#), comprises distinct rulemaking actions: negotiated, proposed, temporary, pending, and final rulemaking. Not all rulemakings incorporate or require all of these actions. For a rule to become final, at a minimum, a rulemaking includes proposed, pending, and final rulemaking. Some rules may be adopted as temporary rules when they meet the required statutory criteria. Agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In some cases, the process may begin with proposed rulemaking and end with the final rulemaking. The following is a brief explanation of each type of rule.

## **1. NEGOTIATED RULEMAKING**

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

## **2. PROPOSED RULEMAKING**

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

## **3. PENDING RULEMAKING**

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

## **4. FINAL RULEMAKING**

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures, has been approved by the legislature, and is of full force and effect.

## **5. TEMPORARY RULEMAKING**

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) reducing a regulatory burden that would otherwise impact individuals or businesses.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

Agencies must concurrently promulgate a temporary rule and a proposed rule when the text of the two rulemakings is the same, unless the temporary rule will expire before a proposed rule could become final.

## HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

### **IDAPA 38.05.01.041.02.c.ii.**

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**041.**” refers to Major Section **041**, “Acquisition Procedures”

“**02.**” refers to Subsection 041.02.

“**c.**” refers to Subsection 041.02.c.

“**ii.**” refers to Subsection 041.02.c.ii.

## DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-2201**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

### **“DOCKET NO. 38-0501-2201”**

“**38-**” denotes the agency's **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE **05**), Rules of the Division of Purchasing (Chapter **01**).

“**2201**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2022**. A subsequent rulemaking on this same rule chapter in calendar year 2022 would be designated as “**2202**”. The docket number in this scenario would be 38-0501-**2202**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken, the following statement will appear:

## IDAPA 13 – IDAHO DEPARTMENT OF FISH AND GAME

### 13.01.10 – RULES GOVERNING IMPORTATION, POSSESSION, RELEASE, SALE, OR SALVAGE OF WILDLIFE

DOCKET NO. 13-0110-2601

#### NOTICE OF INTENT TO PROMULGATE RULES – NEGOTIATED RULEMAKING

**AUTHORITY:** In compliance with Sections [67-5220\(1\)](#) and [67-5220\(2\)](#), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment and input prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Sections [36-103](#), [36-104](#), [36-504](#), and [36-506](#), Idaho Code.

**MEETING SCHEDULE:** A negotiated rulemaking meeting will be held as follows:

<b>*Public Meeting*</b> <b>Wednesday, May 20, 2026</b> <b>12:00 p.m. to 1:00 p.m. (MT)</b>
<b>In Person:</b> <b>IDFG Headquarters</b> <b>600 South Walnut Street</b> <b>Boise, ID 83712</b>
<b>Virtual by Zoom Meeting Link: <a href="#">Join here</a></b>

The meeting site(s) will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not later than five (5) days prior to the meeting to the agency address below. If there is no public in attendance, online or in person, the meeting will conclude at 12:10 pm MDT.

**METHOD OF PARTICIPATION:** Persons wishing to participate in the negotiated rulemaking must do the following:

Interested parties must either attend the scheduled meeting(s) or identify themselves to the Department via the below phone number, email, or mailing address in advance of the scheduled meeting.

Should a reasonable number of persons respond to this notice, additional negotiated meetings may be scheduled, and all scheduled meetings will be posted and made accessible on the agency website at: <https://idfg.idaho.gov/about/rulemaking>.

A lack of a sufficient number of responses to this notice of intent may result in the discontinuation of further informal proceedings. In any event, the agency has sole discretion in determining the feasibility of scheduling and conducting informal negotiated rulemaking and may proceed directly to formal rulemaking if proceeding with negotiated rulemaking is deemed infeasible.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

**DESCRIPTIVE SUMMARY:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The purpose of this rulemaking is to provide the Department the ability to manage Chronic Wasting Disease (CWD) management zones down to the specific Game Management Unit (GMU). The language revision would make moving an animal carcass between GMUs within a CWD management zone illegal whether salvaged or taken through hunting. Current language allows movement of whole carcasses, that may contain brain or spinal tissue, between GMUs within a CWD management zone.

**ASSISTANCE ON TECHNICAL QUESTIONS, MEETING ACCOMMODATIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING DRAFT COPIES:** For assistance on technical questions concerning this negotiated rulemaking, requests for special meeting accommodations or accessibility, or to obtain a preliminary draft copy of the rule text, contact Amber Worthington at 208-334-3771. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on the Idaho Department of Fish and Game website at the following web address: <https://idfg.idaho.gov/about/rulemaking>.

The meeting site(s) will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not later than five (5) days prior to the meeting to the agency address below.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the [agency website](#).

**DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

This rulemaking explores adding a certification fee for Certified Interior Designers. In 2026, the Idaho Legislature passed [HB 790](#), which created a certification for interior designers and authorized the Board to promulgate rules for the administration of the certification. The certification fee will help pay for the administration costs of the new program; however, the amount has yet to be determined and the Division seeks to work with stakeholders through this rulemaking to establish a fair and reasonable fee.

**ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING DRAFT COPIES:** For assistance on technical questions concerning this negotiated rulemaking or to obtain a

preliminary draft copy of the rule text (if available), contact Ryan Bernard, Legislative & Regulatory Affairs Chief, at (775) 870-7926. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on the DOPL website at the following web address: <https://dopl.idaho.gov/rulemaking/>.
